- Process client equipment orders, including packaging for delivery.
- Conduct routine testing and maintenance on company assets.
- Offer client support by providing recommendations and solutions for digital issues on set.
- Coordinate with the transport department for efficient work management and delivery.
- Research and acquire new equipment.
- Uphold high standards across all services.
- Stay updated on the latest equipment, techniques, and digital practices.

Candidate Profile:

- Minimum of 3 years in the photographic and/or digital field.
- Knowledge and interest in industry-standard camera and software systems.
- Ability to work independently and within a team.
- Self-management skills to handle own workload.
- Organised and detail-oriented.
- Strong communication skills.

Preferable experience:

- Customer service.
- Experience in a photographic rental house.
- On-set experience.
- Knowledge of flash and continuous lighting systems and moving image equipment.

Where:

- Gas is based in Tottenham, North East London.
