

Job Description: Driver

Company Overview:

GAS is a rental equipment company & studio complex working with the top end of the fashion and advertising stills photography market. We pride ourselves on the quality and professionalism of our service. We're a young, vibrant company, constantly developing and striving to be the best at what we provide.

Job Overview:

The GAS Delivery Driver is an integral member of the Logistics Team at GAS. This role involves physically handling and transporting specialist photographic equipment, primarily in London, with occasional longer trips. Shift patterns include a 9-hour shift between 7 am and 9 pm, requiring flexibility and a commitment to impeccable punctuality.

Reports to: Logistics Manager and Assistant Logistics Manager

Key Responsibilities:

- Deliver and collect GAS equipment efficiently within scheduled time frames, adhering to shift patterns.
- Maintain regular, effective communication with the on-shift Logistics Manager.
- Follow strict loading/unloading plans, ensuring safe transport of equipment.
- Act responsibly as a key holder, safeguarding equipment during transit.
- Demonstrate impeccable punctuality, understanding the time-sensitive nature of the industry.
- Adhere to safety protocols during equipment handling and transportation.
- Be flexible for paid overtime, adapting to the company's dynamic needs.
- Conduct additional tasks as needed, including fleet and warehouse responsibilities.
- Efficiently manage sub-hired items to prevent unnecessary charges.
- Use a PDA to obtain client signatures and confirm deliveries.

Desired Skills and Experience:

- Experience in delivery roles, preferably with multi-drop responsibilities.
- Valid Driving Licence with no more than 6 points.
- Physical capability for manual handling of heavy photographic equipment.
- Proficiency with PDA devices for delivery processes.
- Strong organisational, time management, and communication skills.
- Familiarity with the lighting/photography industry or a strong interest in entering the field.
- Must be confident driving 3.5ton LWB vehicles in and around Central London.
- Mechanical knowledge of vans.
- Ability to work efficiently under time constraints.

Where:

- Gas is based in Tottenham, North East London.

When:

- Immediately

How to Apply:

- Please submit your CV along with a brief cover letter to jobs@gashire.co.uk. Only successful candidates will be contacted.
